CITY COUNCIL COMMUNICATION

DATE: 11/03/22	REFERENCE NUMBER: C-357	SUBJECT: Award Paving Contract to Texas Bit	PAGE: 1 of 1
-------------------	-------------------------------	--	-----------------

For many years, the City of Benbrook has collaborated with Tarrant County to complete the City's annual asphalt street overlay program (Program). While the annual Program is a great benefit to the City, Tarrant County was unable to complete any of Benbrook's asphalt street overlay work in fiscal year 2020-2021 and only completed 1.2 miles of asphalt street overlay work in fiscal year 2021-2022.

For fiscal year 2022-2023, \$1,985,000 is budgeted for the Program.

The City has submitted approximately 2.3 miles of Program work to Tarrant County for approval. Rather than reduce the number streets in the City's current Program, the City seeks to again contract with Texas Bit via the Interlocal Agreement with Ellis County.

Texas Bit was awarded all Program work not accepted by Tarrant County in FY2020-21 and FY2021-22. If Tarrant County is unable to complete the balance of the program this year, the City will likely contract with Texas Bit to complete a portion of the remaining streets later this fiscal year.
